## UNIVERSAL PERSONNEL SECURITY TRAINING & ALLIED SERVICES

### From Editor's Desk :

At the outset let me convey to the readers on behalf of CMD Capt Uttam Patil and self seasons' greetings for the oncoming New Year 2024. May the new year bear the basket of auspicious opportunities for you all. Universal celebrated Foundation Day on 02 October 2023 marking 17 glorious years of blemishless customer service. The day was celebrated with characteristic energy and elan at all centers by our staff. Blood donation camp was part of the varied activities on this day which goes to show how high in priorities is societal well being in Universal. We walk the talk. No empty rhetoric here.

In the same vein Universal found unbounded pleasure and pride in the dispatch of Diwali Sweets to four Army units. This is a labour of love for us. This dispatch of sweets started for one unit initially which has now swelled to four units.

International Security situation is causing concern with two wars showing no signs of abatement. Indian Navy gave a glowing account of themselves in making short work of pirates who commandeered a cargo line in the Red Sea. Let's hope for better days ahead.

### DIWALI SWEETS DISTRIBUTION TO THE SOLDIERS

As rightly said by Douglas Adams. "To give real service, you must add something which cannot be bought or measured with money, and that is sincerity and integrity", this year also, team Universal pursued with its sincere societal gratitude towards sacrifices of our brave soldiers deployed at the frontiers of our country.

This year, along with

"Ayodhya Foundation", team Universal continued the noble tradition and distributed home-made Diwali sweets to a battalion each of Garhwal Rifles, Rashtriya Rifles, Assam Rifles and Garhwal Scouts and to the organizations like, Orphanage "Avni" at Kolhapur and Satara and Helpers of the Handicapped at Kolhapur.

This festive season, let's

remember and salute our selfless and brave soldiers, who perform their duties, far away from their loved ones, at borders, safeguarding our country.

On this occasion, we also felicitated our staff at Head Office for their outstanding performance and contribution to the organization.

## TRAINING

Every skill requires practice. Otherwise mastery over it is lost. Periodic training of guards serve as a refresher course, which not only helps them in addressing their weaknesses but also to sharpen the skills they have already learned, consequently enabling us to maintain a high level skill and knowledge and build a reliable and skilled workforce.

This quarter, overall 72 training sessions, including 9 online training sessions were conducted by the training teams. The training sessions were conducted as per the PSARA-prescribed syllabus and our in-house developed proficient syllabi as per the different job roles with focus on Primary duties, General Drill, Emergency drills, Soft skills, effective communication, leadership etc towards achieving predetermined goals and objectives as per the client's requirements.

## NEW ASSOCIATIONS

During last quarter, Team Universal got associated with following new clients. Our Team successfully deployed smart and qualified guards at the client locations after carrying out of mandatory initial training. Following are the newly associated valued clients:-

- Bank of Baroda, Mumbai Zone
- Bank of India, Solapur Zone
- Indian Telephone Industries, Bangalore
- Trent Ltd.— A TATA Enterprise Distribution Center, Jaipur
- SIDBI, Bangalore
- NABARD, Ahmedabad
- National Center for Seismology, New Delhi
- Dedicated Freight Corridor Corporation of India, Vadodara

## FIRST AID IN CASE OF SNAKEBITE

### Do's

Bitten by Snake  
Call the Ambulance

Immobilize the victim Remove belt, jewellery, watch, rings, etc as the bitten area may swell.

If ambulance is delayed, rush to the nearest hospital using any mode of transport.

Transport the victim lying on left side, right leg bent and hand supporting the face. Patient will breathe better and not choke on vomit.

Inform the doctor details of the bite. Anti-venom is the only cure.

### Don'ts

Do not panic.  
Snakebite is a treatable condition

Say "No" to faith healing. Do not try to kill or capture the snake.

Do not cut or suck the bite area

Do not tie a tourniquet, apply ice or massage the bitten area as it causes further damage.

Do not self medicate or apply any herbs or spices. Nothing helps.

### How to avoid Snakebite

Wear a closed pair of shoes while going out.

Always use a Torch at night. Look where you put your hand or foot.

Avoid sleeping on the floor and use a well tucked mosquito net.

Keep home and surroundings clean and clutter free. Control rodent population.

Create awareness in communities. Help prevent Snakebite.
